ED. HOWELL BACK FROM EAST COAST

The Albany City Council on Monday evening, Feb. 24, reviewed a report submitted by Edwin S. Howell, Superintendent of Recreation and Executive Secretary to the City Council, who recently returned from Washington, D. C., where he was representing the city in matters involving Albany's Federal Public Housing Projects.

Howell met with local congressional representatives, U. S. Senators William F. Knowland and Sheridan Downey and Congressman John J. Allen, Jr., and discussed financial problems relating to the Codornices Village, Kula Gulf and Veterans' Village located in the City of Albany.

Howell reported to the City Council that after several meetings and much deliberation involving governmental agencies, final conclusions were arrived at, that immediate payment of in lieu of taxes in the amount of \$1159.18 would be made the City of Albany by the Federal Public Housing Authority for Codornices Village and Kula Gulf, covering the fiscal year 1946-47. These funds were received by Mrs. Grace L. Higgins, City Treasurer, on Feb. 13.

Dillon Myer, Director of the Washington Federal Public Housing Authority, declared that payment in addition to in lieu of tax money necessitated by the additional services required in the housing projects for police, fire and other services could not be paid the City of Albany as an emergency measure beyond March 31, 1947, as the authority for this expenditure of funds is written in the War Powers Act which expires as of that date.

Washington Housing Official committed their Agency to an investigation of local housing problems and authorized M. C. Freeman, Fire and Safety Consultant, to come to the Pacific Coast and work with Langdon Post, Federal Public Housing Authority Director, in making further studies and investigations. Howell added that this point was considered a major victory in view of the fact that at the beginning of the hearings Albany was denied this privilege by Government officials who stated they considered it a local responsibility to pay from tax funds for additional services necessary in connection with Federal Public Housing Projects in Albany.

Pat Campbell's Nuptials to Be Sunday at Noon

A noontime wedding on Sunday, March 2, will unite Patricia Campbell, daughter of Mr. and Mrs. Curt Campbell, and George K. Pickard in the Berkeley home of the bride-to-be, Bishop T. Winkel, of the Mormon Church, Alameda, will officiate.

Patricia graduated from Berkeley High School and attended the University of California. At Berkeley High she was vice-president of Theta Rho Sorority. The Campbells live at 420 Kentucky Ave.

Pickard is the son of Mr. and Mrs. George Pickard of Oakland. He graduated from Fremont High School and served three years in the Navy. He is at present employed with an Oakland department store.

Following the wedding an informal reception will be held at the Orinda Country Club at 2 p. m. The bride and groom will leave immediately following the reception for a honeymoon trip to Southern California.

The House of Harris, Shattuck at Center, Berkeley, is featuring another sale on hard-to-get cowboy jeans for boys and young men.

Local Dime Drive Will Far Surpass Total of 1946

According to Joseph Villa, Albany chairman of the March of Dimes for Infantile Paralysis, local residents contributed \$1811.96 of which \$361.08 came from Albany school children. Albany Post 292, American Legion, gave \$216.94 to the dime drive in proceeds from their paper drive held last December.

Villa said that checks and cash donations and the coins dropped into collection boxes throughout the city will add still more to the local fund total.

Drab Year Ahead For Traveling Paint Swindler

Robert Ernest McDade makes looking dejected his specialty, so last Tuesday Judge Louis J. Hardie gave him cause for some real dejection with a sentence of six months each on two counts of petty theft.

McDade, who claims the East Coast as home, was making the rounds of Albany hardware stores last Saturday working a slick racket in "paint salesmanship."

Entering the General Hardware Co., the smooth talking "traveling salesman" appeared before clerk Gerald Browne holding a gallon can of paint in each hand—which Browne later found had been taken from a shelf of the store when he was not looking.

McDade asked for two gallons of "wood paste filler." Told that it did not come in gallon cans McDade looked dejected, said he guessed he couldn't use the paint a friend had bought for him and would Browne like to buy it. Browne shelved out the price of two gallons of paint and McDade departed.

When McDade tried the "paint game" at the store of Harry E. Hill, 1575 Solano Ave., Hill became suspicious, compared notes with Browne and called in patrolman Vernon Freeman. Freeman picked up the suspect, took him to the Police Station where a search revealed \$800 in travelers checks and \$610 cash on his person.

Funeral Services Held Thursday For Billy Roach

Funeral services were held Thursday, February 27, at 2 p. m. for William Roach Jr., 14 year old Albany High School student who died from injuries received when he was struck by a pick-up truck on San Pablo Ave., Monday evening.

The boy was struck at 5:35 p. m. when he darted from between two parked cars. Taken to Herrick Memorial Hospital and treated for a bruised ankle he was released to his parents and taken home apparently suffering no other injuries.

At 12:14 a fire department inhalator crew was called to the Roach home at 919 Fillmore Ave., and found the boy apparently dead. Attempts to revive him failed and he was pronounced dead by the attending physician. After an autopsy, the Alameda County Coroner's office reported Roach had died from a brain hemorrhage and a fracture of the skull.

Billy is survived by his parents Mr. and Mrs. William J. Roach and a sister Sandra Jean Roach. Also surviving are his grandparents, Mr. and Mrs. Wm. Roach, of Berkeley, and Mr. and Mrs. Benjamin Mayo of El Cerrito. Rev. Laurence L. Cross officiated at the ceremonies held at the Ellis-Olson Mortuary.

The driver of the truck, James W. Hodgeman, of Redding, Calif., was not held by police.

Berkeley Attorney To Address Rotary For Red Cross

Reece Clark, Berkeley attorney, will address the Albany Rotary Club luncheon at the Veterans Memorial building, Monday, March 3, according to Al Hacklin, Rotary president. Clark will speak on the many activities of the American Red Cross.

In announcing his intention to speak before the Albany club, Clark said that this year he hoped to see overwhelming response to the Red Cross fund campaign.

William Woolworth, program chairman, will introduce the speaker.

Scouts to Collect Scrap Paper Saturday

Starting from the fire house, San Pablo and Washington Ave., at 9:00 a. m. Saturday, March 1, Albany Boy Scouts will comb the entire city in an effort to collect enough waste paper to swell their camping activities fund for this year.

"This drive," stated Lloyd Hogan, chairman of the camping and activities committee, "will likely send several scouts to camp and help Cub Scouts enjoy activities which are now beyond their means. Every resident of Albany is urged to support this worthwhile cause by having paper and magazines securely tied in separate bundles for collection."

List 2 Meetings On March Agenda Of P.T.A. Group

Two meetings are on the March agenda for the Berkeley-Albany Council of Parent-Teacher Associations. The regular Council meeting will be held March 3rd at 9:45 a. m. in the administration building, 1414 Walnut Street, with Mrs. Violet Richardson-Ward presiding.

The business session will include the election of the nominating committee and an informal written ballot indicating preference for candidates for officers to serve in 1947-1948. These ballots will serve as a guide to the nominating committee. Mrs. L. W. Garcia, first vice president in charge of the department of Student Welfare, will direct the program. Brief reports will be given on the activities in the department. Mrs. L. W. Fay, Clothing Room chairman, will report on this phase of Student Welfare. Miss Marion Fuller will tell of the Vacation Camp project. The treasurer, Mrs. J. B. Dodd, will give a report on the Student Welfare funds.

The American Red Cross drive starts on March 1st—Give Gladly.

RED CROSS SET TO GO ON MARCH 1

Volunteer workers in the Red Cross fund campaign, scheduled to start March 1, met in the recreation hall last Friday evening in a giant pre-campaign rally. Speaking before the many workers, Oliver Lawson, Berkeley-Albany-Kensington area fund campaign chairman, stated that the many activities of the Red Cross in peacetime have not changed materially since the war. "The emphasis has changed," Lawson pointed out, "but there is as much work to do now as during the war."

Lawson declared to the workers that community services, such as home nursing, accident prevention and aid to servicemen and to veterans and their families, must be maintained.

Mrs. Richard W. Moulthrop, Albany residential chairman, thanked the volunteers for their fine cooperation and expressed her confidence that Albany would reach the quota set for this city in the campaign.

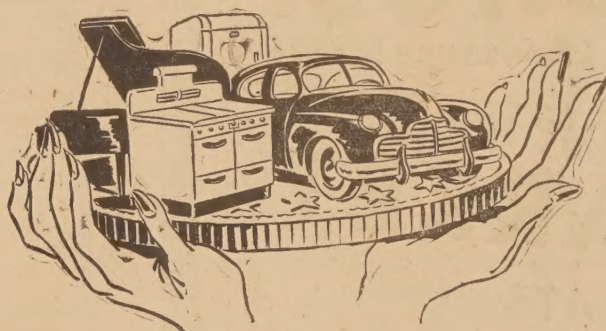

After the rally refreshments were served. (Continued On Page Six)

Kills MOTHS

With Reefer-Galler's NO-MOTH hung at the top of your closet you can go away for the Summer and know that your clothes are safe from moths. Follow simple directions, and NO-MOTH kills all stages of moth life—and that includes moth eggs, moth larvae and moths.

Reefer-Galler's NO-MOTH is a handy container releasing pungently fragrant vapor which penetrates every nook and cranny—this vapor does not cling, clothing may be taken from hangers and worn immediately. NO-MOTH is Refillable.

"Through our American system of free enterprise, budget-basis voluntary health insurance provides the most economical way to meet these unexpected expenditures and at the same time guarantees the individual his inalienable right to choose his own doctor."

Mayor Graeber condemned proposed plans for compulsory health insurance because they would restrict choice of physician and make "medical care more expensive for those who can least afford added costs."
